Tools for Data Science

Python for Data Science, AI
& Development

Python Project for Data
Science

Statistics for Data Science
with Python

Databases and SQL for Data
Science with Python

Jan 8, 2022

JING WANG

has successfully completed the online, non-credit Specialization

Data Science Fundamentals with Python and SQL

The earner of this certificate has demonstrated mastery of foundational skills required for Data Science, including a working knowledge of open source tools and libraries such as Jupyter notebooks and R Studio, Python programming language, Statistical Analysis techniques, SQL and relational databases. The individual has hands-on practice and completed several projects involving real-world data sets employing tools and techniques used by practicing data scientists. The learner is now armed with the skills and knowledge to start tackling Data Science problems and challenges.
